

# Go Green Coat Swap

- Help the environment by recycling coats that your children have outgrown.
- All donated coats should be gently used and clean.
- Coat donations will be collected from 11/9/09 until 11/13/09.
- A free swap will be held for parents to pick up a recycled coat just in time for the winter weather! Check future Monday communications for more details.
- Donations will not be required to receive a coat.
